WOW!

Well done to **Thomas in Year 2** this week, who proudly came to show me his learning in maths. Thomas was able to explain that he was looking at adding two 2-digit numbers together but most importantly explained how he was able to do this. For example, Thomas showed me that for $73 + 21 = 94$, he added together the tens first and 'held onto' that number, then added the 'ones' (units), and then put the two answers together to make 94. It is wonderful to see how your calculation strategies are developing, Thomas. **Well done!**

This term in collective worship we are looking at Respect. This week our bible reading was from Acts 2: 1 - 21. Next week our Bible reading will be from Matthew 28: 16—20.
