Mission Statement

Creative Learning in a happy and caring Christian Community

In our school we aim to:

- Provide a stimulating and caring Christian environment in which children can gain in experience and understanding, and develop to the full their own talents and abilities within the tenets of the Christian faith.
- In this environment, they are encouraged to acquire both self-respect and respect for other members of the community, and to care for their local environment.
- Ensure that the children have a firm grasp of basic skills, and encourage the acquisition of these through interesting and stimulating work.
- Foster the development of an enquiring attitude towards work and to encourage the creative and imaginative ability of the child.
- Achieve a harmonious school atmosphere in which the child will identify strongly with the school and its objectives, including the links with All Saints Church.

Equality Statement

Legal Duties:

As a school we welcome our duties under the Equality Act 2010. The general duties are to:

- eliminate discrimination
- advance equality of opportunity
- foster good relations

We understand the principal of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equality of opportunity.

A protected characteristic under the act covers the groups listed below:

- age (for employees not for service provision)
- disability
- race
- sex (including issues of transgender)
- gender reassignment
- maternity and pregnancy
- religion and belief
- sexual orientation
- Marriage and Civil Partnership (for employees)

In order to meet our general duties, listed above, the law requires us to do some specific duties to demonstrate how we meet the general duties. These are to:

- Publish equality information – to demonstrate compliance with the general duty across its functions (**We will not publish any information that can specifically identify any child**)
- Prepare and publish equality objectives

To do this we will collect data related to the protected characteristics above and analyse this data to determine our focus for our equality objectives. The data will be assessed across our core provisions as a school. This will include the following functions:

- Admissions
- Attendance
- Attainment
- Exclusions
- Prejudice related incidents

Our objectives will detail how we will ensure equality is applied to the services listed above however where we find evidence that other functions have a significant impact on any particular group we will include work in this area.

We also welcome our duty under the Education and Inspections Act 2006 to promote community cohesion.

We recognise that these duties reflect international human rights standards as expressed in the UN Convention on the Rights of the Child, the UN Convention on the Rights of People with Disabilities, and the Human Rights Act 1998.

In fulfilling our legal obligations we will:

- Recognise and respect diversity
- Foster positive attitudes and relationships, and a shared sense of belonging
- Observe good equalities practice, including staff recruitment, retention and development
- Aim to reduce and remove existing inequalities and barriers
- Consult and involve widely
- Strive to ensure that society will benefit

Our Ethos/mission

We believe ours is a happy, caring school in which each and every member of the school community is valued and respected by every other member. Our belief in treating one another with kindness and consideration is underpinned by our Christian values and permeates throughout every aspect of school life.

We believe children learn best in a calm, purposeful atmosphere and we believe in creating a stimulating, organised learning environment in which every child is encouraged to realise his or her potential. We believe in setting high standards in every aspect of school life, for example, presentation of work, dress, manners,

speech, attitudes to others and work. The endeavours of all children are valued, and achievements are celebrated and shared.

Addressing Prejudice Related Incidents

This school is opposed to all forms of prejudice and we recognise that children and young people who experience any form of prejudice related discrimination may fare less well in the education system. We provide both our pupils and staff with an awareness of the impact of prejudice in order to prevent any incidents.
